FEDERAL ELECTIONS COMMISSION

Re: The enclosed FEC Form 2

Dear whoever is reading this;

I wish to register my candidacy for Congressman representing the 30th District of California.

Per inquiries made to a couple of banks, an Candidacy account cannot be opened until the Candidate has been issued an official number, by your office.

That is why the enclosed form appears to be lacking data.

I have the set of FEC Form 1 papers, and people who will act in the required positions.

All I need to do is register with your office.

Please advise, if I am doing something wrong.

Thank you in advance for
your prompt response
